From

The Offg Senior Surgeon.

No. G 56 Dated 26.7.10 Received 27.7.10.

BRIEF ABSTRACT OF LETTER.

Requests (1) Sanction to adopt revised forms of Statements C, D & E ~~accompanying~~ the report on Hospitals and dispensaries in Mysore from the year 1910 and ~~requests~~ (2) that the Superintendent, Govt Press may be instructed to print and supply the number of ~~copies~~ forms of each kind required

NOTES AND ORDERS.

Vide forms kept in file.

The existing Statements C & D furnish Statistics of both indoor and out-door patients, while the revised forms require Statistics for in-patients and out-patients to be shown separately under ~~many~~ heads. The revised form E also prescribes certain

additional Columns.

2. In the heading of Statements DII & DII (as per forms revised) the word "Special" has, it seems, to be changed to "non-public" as per Lt.-Col. Smyth's suggestion. Vide p. 4 of papers in med file 38-04 Sls 3 to 8.

3. Even in the revised forms, separate columns are not prescribed under the head "operations"; for major and minor operations. Lt.-Col. Smyth was of opinion that a distinction should be made between major & minor operations for the reason given by him with refee to old Statements C. (Vide p. 4 of papers in med file 38-04 Sls 3 to 8)

The Offg Sen: Surgeon has also suggested the distinction being shown in the Statements.

4. Certain modifications suggested by the Senior Surgeon (Lt.-Col. Smyth) with refee to the old forms were Communicated to the Govt of India thro' the Residency. In para 3 of the Residency letter No: 4337 of 5-8-05 in med file 47-05 it was intimated that the Director Genl of the Indian Medical Service does not desire to press the Dunbar if they prefer to adhere to the modifications suggested by the Sen: Surgeon

referred to or whether it is necessary to communicate the modifications proposed (though of a minor nature) to the Residency before sanction is conveyed to adopt the forms.

6. 7 months in the year 1910 have already expired. It is a question whether the revised forms may be adopted for purposes of the report on Hospitals and dispensaries in Mysore for 1910 without necessitating undue delay in its submission for orders.

7 Col Smyth seems to have been particular in classifying "Piroplasmosis" separately under general diseases in Statement C. The officiating Senior Surgeon has made no mention of this. The disease may be shewn separately as heretofore in Statements B and B1. The suggestion that major and minor operations be shewn separately under operations may also be adopted.

Piroplasmosis is the same as Kala Azar. So no new heading is necessary.

8. In the heading of Statements D_1 and D_2, the words "State Special and Railway" may be altered

into "State non-public and Railway".

9. It does not seem necessary to consult the Residency as regards the modifications.

10. The modifications referred to above may be sanctioned and the Supt, ~~Govt Press~~ Govt Press, requested to get the Forms printed and supplied at an early date.
